

HCPSS BOE Candidates Forum: Focus on Special Education

**Tuesday March 24th, 7 pm – 9 pm
Howard Community College, Duncan Hall Building
Room DH 100 - Kittleman multi-purpose room**

Talk directly with the Howard County Board of Education candidates about their positions related to special education programs, issues and concerns in the Howard County Public School System.

Moderator: Roger Thibaudeau, HCAS Education Advocacy Chair

Expected Evening Format (dependent on number of candidates):

Following introductions, BOE candidates will rotate through tables based on their districts to allow for candidates to address specific questions from the organizers as well as additional questions to be asked by the attendees.

We encourage everyone in the community to attend and show our next BOE members the importance of a strong special education program at HCPSS.

Please plan on arriving at least 15 minutes early to minimize any distractions and allow for a prompt 7pm start to the forum. Seating is limited!
